

DECLARATION AND POWER OF ATTORNEY

As the below-named inventors, we declare that:

Our residences, post office addresses, and citizenships are as stated below under our names.

We believe we are the original, first, and joint inventors of the invention entitled "Methods for Determining the Presence of Brain Protein S-100", which is described and claimed in the foregoing specification and for which a patent is sought.

We have reviewed and understand the contents of the foregoing specification, including the claims, as amended by any amendment specifically referred to herein (if any).

We acknowledge our duty to disclose information of which we are aware which is material to the patentability and examination of this application in accordance with 37 C.F.R. § 1.56(a).

We hereby claim foreign priority benefits under 35 U.S.C. § 119 of the foreign patent application or of any PCT international application designating at least one country other than the United States of America listed below and have also identified below any foreign patent application patent or any PCT international application(s) designating at least one country other than the United States of America filed by us on the same subject matter having a filing date before that of the application on which priority is claimed:
